

Did you know that 70% of people over the age of 65 will require long-term care services at some point in their lives?

Confused about who pays for what?

Medicare? Skilled Nursing Care? Home Health Care? Long Term Care?

Are you prepared? Join us January 19th to learn about your options.

We will be having two different classes on Thursday, January 19th, 2012 for your convenience. One will be at 10 am and, the second will be in the evening beginning at 6:30 pm. There will be refreshments provided. Pre-registration is required to accommodate the need for tables, chairs, and refreshments. Please fill out the registration form below and return to the Association Office in person, by mail, or email:
